Output and Output Measures List

1.01 - 1.08	*Accommodation support*
2.01 - 2.07	*Community support*
3.01 - 3.03	*Community access*
4.01 - 4.05	*Respite*
6.01 - 6.05	*Advocacy, information and alternative forms of communication*
7.01 - 7.04	*Other support*
50.01-50.02	*Family Support Program*

Output Category	Output Code	Output Code Descriptor	Description	Measure
Accommodation Support	1.01	Accommodation support in a large residential/institution (>20 places)	Large residentials/institutions are usually located on large parcels of land and provide 24-hour residential support in a congregate setting of more than 20 beds.	Place
Accommodation Support	1.014	Additional accommodation support in a large residential/institution (>20 places)	Additional support provided through an <u>individualised funding allocation</u> to an individual residing in a large residential/institution. The additional accommodation support is provided to enable the individual to remain in the accommodation arrangement i.e. their support needs are higher than the support provided as part of the place.	Hour
Accommodation Support	1.02	Accommodation support in a small residential/institution (7-20 places)	Small residentials/institutions are usually located on large parcels of land and provide 24-hour residential support in a congregate or cluster setting of 7 to 20 beds.	Place
Accommodation Support	1.024	Additional accommodation support in a small residential/institution (7-20 places)	Additional support provided through an <u>individualised funding allocation</u> to an individual residing in a small residential/institution. The additional accommodation support is provided to enable the individual to remain in the accommodation arrangement i.e. their support needs are higher than the support provided as part of the place.	Hour
Accommodation Support	1.041	Accommodation support in a group home (<7 places) that is owned or leased by the Service Provider	Group homes provide combined accommodation and community-based support to less than 7 people in a residential setting. The funded service provider <u>owns, leases or holds in trust the residence</u> and is integral to managing both the household and providing the direct support.	Place
Accommodation Support	1.042	Accommodation support in a Group Home (<7 places) where the residents are reliant on	Group homes provide combined accommodation and community-based support to less than 7 people in a residential setting. The funded service provider has <u>no direct</u>	Place

Output Category	Output Code	Output Code Descriptor	Description	Measure
		the provision of accommodation support and household management by the service provider	financial control of the residence but is integral to managing both the household and providing the direct support i.e. without the service provider the household could not continue to operate.	
Accommodation Support	1.044	Additional accommodation support in a Group Home (<7 places)	Additional support provided through an individualised funding allocation to an individual residing in a group home. The additional accommodation support is provided to enable the individual to remain in the accommodation arrangement i.e. their support needs are higher than the support provided as part of the place.	Hour
Accommodation Support	1.05	Attendant care/personal care	An attendant care program provides for an attendant(s) to assist people with daily personal care needs that they are unable to complete for themselves because of physical, intellectual or any other disability.	Hour
Accommodation Support	1.06	In-home accommodation support	Support involves individual in-home living support and/or developmental programming services for people with a disability, supplied independently of accommodation. This can include assistance with shopping, banking, budgeting, etc. The primary focus of in-home accommodation support is to provide support to assist the service user to live in their own residence. If support is shared and the service provider is integral to the management of both the household and the direct support refer to either 1.041 or 1.042.	Hour
Accommodation Support	1.07	Alternative family placement	Placements of a person with a disability with an alternative family who will provide care and support. Includes shared-care arrangements and host family placements.	Place
Accommodation Support	1.081	Other accommodation support (Specialist services/further education)	Provides short-term, one-off instances of accommodation support to individuals or families to access specialist services or further education. If the accommodation support is primarily for respite (i.e. involves the separation of the service user from their usual support arrangements or the addition of extra support in their current environment) please refer to service types 4.01 – 4.05.	Hour
Accommodation Support	1.082	Other accommodation support (Emergency and Crisis)	Provides short-term, one-off instances of accommodation support in emergency or crisis situations e.g. following the death of a parent or carer. If the accommodation support is primarily for respite (i.e. involves the separation of the	Hour

			service user from their usual support arrangements or the addition of extra support in their current environment) please refer to service types 4.01 – 4.05.	
Accommodation Support	1.083	Other accommodation support (Holiday Accommodation)	Provides short-term, one-off instances of accommodation support in houses or flats for holiday accommodation. If the accommodation support is primarily for respite (i.e. involves the separation of the service user from their usual support arrangements or the addition of extra support in their current environment) please refer to service types 4.01 – 4.05.	Hour
Community Support	2.01	Therapy support for individuals	Specialised, therapeutic care services including occupational therapy, physiotherapy and speech therapy. These services are intended to improve, maintain or slow deterioration of a person's functional performance, and/or assist in the assessment and recommendation of equipment to enable people to perform as independently as possible in their environment.	Hour
Community Support	2.02	Early childhood intervention (children up to (but not including) 6 years of age with a developmental delay)	Support services to assist children up to (but not including) 6 years of age with a developmental delay to integrate with peers into pre-schools and the wider community. This will include the full range of services that the child receives.	Hour
Community Support	2.021	Early intervention (infants and young children with a disability aged 0-8 years)	Services to assist young children with a disability and their families to develop sustainable mechanisms of support including the provision of information and support to access mainstream services. *Support provided with funding allocated under the early childhood initiative must use this output.	Hour
Community Support	2.03	Behaviour/specialist intervention	These include the range of services relating to the management of challenging behaviours, including dangerous antisocial behaviour. Services include intensive intervention support, training and education in behaviour management, and consultancy services for other professionals. Behaviour/specialist intervention is often provided as a by-product of other services.	Hour
Community Support	2.04	Counselling (individual/family/group)	Services that provide counselling to individuals, families or groups.	Hour
Community Support	2.05	Regional resource and support teams	Regional resource and support teams are generally interdisciplinary teams that provide a combination of services in the categories 2.01, 2.02 and 2.03 that cannot be broken down into the component parts. Regional resource and	Hour

Output Category	Output Code	Output Code Descriptor	Description	Measure
			support teams may also assist service users to access mainstream services and/or support mainstream funded agencies. Except for early childhood intervention teams, these teams <u>usually have an individual, rather than a family, focus.</u>	
Community Support	2.062	Case management	Case management services are targeted to individuals who require assistance, for a period of time, to access necessary supports, including help with service coordination and with assisting services to respond to their service needs.	Hour
Community Support	2.064	Community Development	Community development involves working with the individual, family and/or carers and at the community level to facilitate positive changes that assist people with a disability to live and participate in the community and assist families in their continued provision of care. This includes services which offer a combination of information/referral and local community coordination and development where the two cannot be separated.	Service Report
Community Support	2.066	Self Directed Support - Host Provider Support Plan Management and Administration	The ongoing planning and management services of an individuals self directed support plan. Depending on the "package" of supports chosen this can include (though not limited to) planning and review, care coordination, case management and, the financial administration of the funding. These supports are directly delivered by a Host Provider. Management and administrative activities related to an individual exiting a Host Provider are included in this output type.	Hour
Community Support	2.067	Self Directed Support - Host Provider Establishment	One off activities or resources relating to the establishment of an individuals self directed support plan through an endorsed Host Provider. These supports or resources are generally provided initially to establish the requirements of the relationship between the person and the host provider. These can include (though not limited to) the provision of templates for reporting and financial acquittal and information resources for the person to manage their supports. Once these are provided the ongoing support provided to the individual is reported through 2.066.	Hour
Community Support	2.07	Other community support	Community support services that do not work with an individual. Other community support is broken down into the following 3 sub categories - 2.071. The measure is a *service report* - 2.072. The measure is *hour* - 2.073. The measure is *place*	Dependant on model of service

Output Category	Output Code	Output Code Descriptor	Description	Measure
Community Access	3.01	Learning and life skills development	Services that provide on-going day-to-day support for people with a disability to gain greater access and participate in community-based activities. May focus on continuing education to develop skills and independence in a variety of life areas (e.g. self-help, social skills and literacy and numeracy) or enjoyment, leisure and social interaction.	Hour
Community Access	3.02	Recreation/holiday programs	Services that aim to facilitate the integration and participation of people with disabilities in recreation and leisure activities available in the general community. These services may also enhance the capacity and responsiveness of mainstream sport and recreation agencies and community organisations to provide for people with disabilities. Recreation/holiday programs is broken down into the following 2 sub categories - 3.02. The measure is hour - 3.022. The measure is a service report	Dependant on model of service
Community Access	3.03	Other community access	Community access services which do not fit 3.01– 3.02. Other community access is broken down into the following 3 sub categories - 3.031. The measure is a *service report* - 3.032. The measure is *hour* - 3.033. The measure is *place*	Dependant on model of service
Respite	4.01	Respite in own home	Respite care provided in the individual's own home location.	Hour
Respite	4.021	Respite in centre-based respite/respite home	Respite care provided in community setting similar to a 'group home' structure and respite care provided in other centre-based settings. This output code must be used where respite is provided overnight i.e. the service user will be in the centre past midnight.	Place
Respite	4.022	Respite in centre-based respite/respite home	Respite care provided in community setting similar to a 'group home' structure and respite care provided in other centre-based settings. Output code 4.021 must be used where respite is provided overnight i.e. the service user will be in the centre past midnight	Hour
Respite	4.031	Host family respite	Host family respite provides a network of 'host families' matched to the age, interests and background of the individual and their carer. These services are usually provided on a voluntary basis.	Place

Great state. Great opportunity.

Queensland
Government

Output Category	Output Code	Output Code Descriptor	Description	Measure
Respite	4.032	Peer support respite	Peer support respite is generally targeted at children or young adults up to 25 years of age, and matches the individual with a peer of similar age and interests, usually for group activities. These services are usually provided on a voluntary basis.	Hour
Respite	4.04	Flexible respite	Respite services that offer any combination of own home and host family/peer support respite (output code 4.01 and 4.03) where they cannot be separated. Includes social activities for respite and day outings.	Hour
Respite	4.051	Other respite (Crisis respite)	Respite provided in emergency or crisis situations.	Hour
Respite	4.052	Other respite (Holiday respite)	Respite provided where the primary intention of the service is to provide respite support (rather than primarily a holiday experience) and the service user is generally separated from their usual support arrangements, e.g. family.	Hour
Advocacy, information and alternative forms of communication	6.01	Advocacy	Services designed to enable people with a disability to increase the control they have over their lives through the representation of their interests and views in the community. Examples include: self advocacy/individual advocacy; citizen advocacy; group advocacy; and system/systematic advocacy	Service Report
Advocacy, information and alternative forms of communication	6.02	Information/referral	Information services provide accessible information to people with disabilities, their carers, families and related professionals. This output code provides specific information about disability-specific and generic services, equipment, and promotes the development of community awareness. Information includes contact by phone, print or email that refers a person to another service.	Service Report
Advocacy, information and alternative forms of communication	6.03	Combined information/advocacy	Services that offer a combination of information/referral and advocacy services (6.01 and 6.02) to individuals where these two output codes cannot be separated.	Service Report
Advocacy, information and alternative forms of communication	6.04	Mutual support/self-help groups	Focus or special interest groups to provide support and assistance for people with disabilities, their families and carers. These groups promote self advocacy through the provision of information, support and assistance.	Service Report
Advocacy, information and alternative forms of communication	6.05	Alternative formats of communication	Includes alternative formats of communication for people who by reason of their disabilities are unable to access information provided in the standard format. May include interpreter services, radio and alternative formats of print	Service Report

Output Category	Output Code	Output Code Descriptor	Description	Measure
			medium, e.g. TTY, Braille, etc.	
Other support	7.01	Research and evaluation	Research and evaluation with respect to the provision of services funded under the NDA for people with disabilities. This includes the investigation of the need for new services or enhancement of existing services and the measurement of outcomes for people with disabilities using these services. Responsibility for this output code is shared between the Commonwealth and state/territory governments.	Service Report
Other support	7.02	Training and development	Training and development services may be funded, for example, to train disability-funded agencies to deliver higher quality or more appropriate services to people with disabilities or develop materials or methods that promote service system improvements.	Service Report
Other support	7.03	Peak bodies	Peak bodies are generally funded to support non-government disability-funded agencies in achieving positive outcomes for people with disabilities.	Service Report
Other support	7.04	Other support services	Services that are completely outside any of the defined output codes above (that is, outside output codes 1.01–1.08, 2.01–2.07, 3.01–3.03, 4.01–4.05, 6.01–6.05 and 7.01–7.03). This output code also includes the provision of one-off funding for a defined event (e.g. for promotional activities) or for the purchase of aids and equipment for a community facility (not for an individual).	Service Report
Family Support Program	50.01	Discretionary funding – service delivery	This output code is only to be used for FSP discretionary funding for the delivery of services which **can not** be quantified against any output code above. Even though annual **minimum** hours are captured against 50.01, service delivery may be a combination of output codes. The services delivered are then to be recorded and reported against the relevant output code, and not against 50.01.	Hour
Family Support Program	50.02	Discretionary funding – non-service delivery	This output code is **only** to be used for specific instances of allowable one-off purchases as per the FSP Guidelines i.e. purchase of goods and/or equipment.	Service Report
