# Many Voices: Queensland Aboriginal and Torres Strait Islander Languages Policy

The Queensland Government worked in partnership with Aboriginal and Torres Strait Islander language experts to co-design and develop the *Many Voices: Queensland Aboriginal and Torres Strait Islander Languages Policy* (the Languages Policy).

It delivers on the action in the *Queensland Government Reconciliation Action Plan 2018–2022* for a co-designed Aboriginal and Torres Strait Islander languages policy to be developed with the Aboriginal and Torres Strait Islander community.

The Languages Policy outlines four priority areas for government action to ensure that Aboriginal and Torres Strait Islander languages in Queensland are strong, acknowledged, maintained and accessible.

These include:

- 1. **PATHWAYS:** strategies aimed at developing physical, cultural and social infrastructure that provides strong foundations to support language growth and maintenance.
- 2. **ACTION AND ACTIVATION:** development of language resources and expertise to grow community capacity to share and encourage the use of Aboriginal and Torres Strait Islander languages across all Queensland communities.
- 3. **RESTORATION AND TRANSMISSION:** strategies to increase the number of people speaking Aboriginal and Torres Strait Islander languages regularly including information storage, expertise and local access to learning.
- 4. **RECOGNITION AND PROMOTION:** strategies to grow community awareness and understanding of Aboriginal and Torres Strait Islander languages to encourage reconciliation and pride in Queensland's unique cultural heritage.
