A.

Q.2 Do you have any comments you wish to add?

A. I support the Wangan and Jagalingou People in their request that the Queensland Government:

1. Amend the definition of 'Aboriginal party' so that Traditional Owners with cultural connection to Country are always involved in consultation and negotiation processes, regardless of their status as a native title party.
2. Create greater enforcement powers for First Nations, so that they aren't reliant on the State to protect cultural heritage if it is in imminent danger of harm or destruction.
3. Establish an independent First Nations-led decision-making body that is responsible for dispute resolution and mediation, and for assessing who the right people to speak for Country are.
