To the Cultural Heritage Acts Review Committee,  
The options paper of December 2021 was reviewed by Council's Culture, Arts, Heritage and Land Standing Committee and then was referred to the full council meeting on 23 March 2022. Council confirmed its support for all the proposed changes and further states that there should be continuing involvement with Council in the process so as to further protect customary law. If you have any questions or require any further details please let me know.  
Kind regards,

**Peter Krebs | Manager, Legal Services**
